

CASTLE HARBOR SAILING SCHOOL POWERBOAT CAMP

RULES AND GUIDELINES FOR CAMPERS

1. PFD's are to be worn and zipped up at all times that campers are on the water or dock.
2. Appropriate footwear must be worn at all times to provide protection for feet and traction on the boats. Closed toe sneakers or boat shoes – no black soles, please.
3. Please – no running or horseplay on the dock or aboard the boats.
4. Please be prompt. Late arrivals or early departures may disrupt the class for others.
5. Be respectful of equipment. Put things back where they belong and in the same condition as when you found them.
6. Be fair to others and treat them as you would like to be treated.
7. Disruptive behavior will not be tolerated and will be grounds for dismissal without refund.
8. Bring a small personal bag with your sun-block, towel, dry shirt, hat, swimsuit, lunch, etc.

NOTE TO CAMPERS AND PARENTS

It is our intention to give each participant an opportunity to learn how to handle a small powerboat, and to provide them with water safety information and a layperson's understanding of Biscayne Bay ecology. We are generally easy going but some discipline must be maintained for safety reasons. There will be time for appropriate recreational activities other than boating. Castle Harbor is a US SAILING certified school and our instructors are skilled sailors/boaters. We are enthusiastic and are looking forward to a productive summer camp and sharing our skills and knowledge with the younger members of the community. We hope that some of them will take an interest and become part of our regular year 'round youth group.
